# ENERGY GAME CHANGERS 2020

SMA GRI NET

BRINGING TOGETHER ACADEMY AND INDUSTRY TO POWER SMART GRID EXPERTISE IN EUROPE

**9:00 - 9:20** | **Opening of the Conference**

Welcome words Tallinn University of Technology

**9:20 - 10:00** | **Industry view** – digitalization and decarbonisation of the economy. Challenges from practice

**Hando Sutter**, CEO of Eesti Energia/Enefit, Estonia
Board Member of Eurelectric

**10:00 - 10:45** | **Society view** – Engaging society with a human-centric approach to the challenges in the en-ergy sector.

**Dan Podjed**, Ph.D. Founder and Advisor at EASA Applied Anthropology Network, Research Fellow at the Research Centre of the Slovenian Academy of Sciences and Arts, and Institute for Innovation and Development of University of Ljubljana

**10:45 - 11:15** | **Exploring the sustainable opportunities in the energy shift**

**Antonella Battaglini**, CEO of Renewables Grid Initiative, member of the European Commission's expert group on electricity interconnection targets

**11:15 - 11:45** | **View to the future**
HVDC as a mean for large scale renewable energies integration

**Prof. Seddik Bacha**, Program Scientific Director of the SuperGrid Institute

**11:45 - 12:00** | **Break**

**12:00 - 13:30** | **Panel discussion** on industry-academy collaboration and the need for powering expertise in the energy sector

**Prof. Fabrice Lemoine**, University of Lorraine Excellence "Energies of the future"; **Prof. Dr.-Ing. Kai Strunz**, TU Berlin, **Karl Kull**, Tallinn University of Technology; **Saulius Gudzius** from Kaunas Technological University.

**13:30** | **Closing remarks**
